Dear Friends,

July, 2004

Greetings in Jesus' name, from Africa! Your prayers, and your offerings continue to bless us, day by day. Thank God for this year, 2004, our 38th year in missions. Pray a lot for us, ministering in sixteen different countries this year.

We are praying for YOU! May you see God's best in your life, as you follow Jesus, every day of your life.

SOME EXCITING TESTIMONIES

ZAMBIA – A lady in a bus accident testified that angels lifted her out of the wrecked vehicle. She was the only survivor, and everyone told her that it was a big miracle.

SOUTH AFRICA – A young man was healed of severe headaches, and said it felt like Jesus poured cool water on his head that night.

ZIMBABWE – A pastor received a big financial miracle, very unexpectedly, just before the Sunday morning service. God has millions of ways to answer our prayers, and to meet our needs.

BOTSWANA – A lady needed money for her house rent, and God woke her in the night, to check her E-mail. She got a big shock, for the money was already on the way!

MALAWI – Last year, we prayed for people in debt, and God helped a lady to pay off every debt, in a very short time.

NIGERIA – A man came the service from a distant city, bringing a picture of his miracle son, after fourteen years of marriage, without a child.

MOZAMBIQUE - A lady testified that her eyes were healed in the service. She had been seeing stones in front of her eyes, but her vision became completely normal that night.

ZAMBIA – A young man prayed for a car in our service, and last year, he got it. He said he's just a village boy, but God blessed him with his own car.

MALAWI – A pastor had prayed for God to help him build his own house, and now he is living in it.

NIGERIA – Two ladies, in different places, testified about how God has given each of them a life partner, a good Christian husband. We are seeing more and more single people find their miracle life partners.

ZIMBABWE – A lady got a phone call after our service, and an old friend in England had just sent some money to her! It was a big blessing, and had never happened before.

MOZAMBIQUE – A young man saw a big change in his business, and got a big contract that same day.

NIGERIA – We prayed for a man and his wife after a service. The wife now has a miracle baby, and the husband got a job, after six years of searching for one.

ZAMBIA – A couple brought their little miracle daughter, born after doctors in three countries told them it was impossible for them to have a child of their own.

MALAWI – A lady lost her job, and prayed for another one. God opened a door for her, and she now manages a service station. When God opens a door, no man can close it!

SOUTH AFRICA – God totally healed a lady of meningitis and TB that had gone into her brain.

PERSONAL NEWS

If you are in the U.S., plan to join us on Friday, June 11, 2004, in Pasadena, Texas, at our International Service. It will be at Faith Assembly of God Church, 3940 Vista Street, in Pasadena, Texas, at 7:00 P.M.

We're helping build a church in Ghana, in the first town we lived in, when we came to Africa in the mid 1960's. Let us know, if you would like to help us with a special offering, to assist the people who are also raising offerings for their much-needed church, and are doing most of the work on it themselves.
