Dear Friends,

Greetings in Jesus' name from Nigeria in this month of May, as we pray for you to see a Mountain-Moving Month in your life. Thanks for your prayers and your offerings to support the ministry. You're a blessing to us!

THERE IS NOTHING IMPOSSIBLE WITH GOD!

We've just come back from almost three months of meetings in India and East Africa, where we saw many miracles. This year, we're preaching in seventeen different countries, and need extra prayer every day. We are also praying for you, that you will walk very close to Jesus, and see His blessings in every area of your life.

SOME EXCITING TESTIMONIES

SOUTH AFRICA – A lady delivered perfectly normal twins, after the doctor told her there would be many problems, because of a fibroid.

INDIA – A lady came with a big walking stick, hopping on her good leg, after having a stroke that left her arm and leg paralyzed. Jesus healed her that night, and she was so happy.

UGANDA – A young man testified that God had saved him from drowning.

NIGERIA – We laid hands on a picture of a lady's sister, to pray for her healing from cancer. She went to England for expensive treatments, but the doctors couldn't find the cancer, and sent her back home.

SOUTH AFRICA – A young man bought one of our stickers that says, "This car is covered with the blood of Jesus, and put it on his car when he got it. Later, a thief was trying to steal the car, and ran away when he saw the sticker!"

KENYA – A man had a big cancer on his neck and shoulder, as the doctors had done all they could do for him. Jesus touched him, and the cancer disappeared completely. Now he's going everywhere to testify!

ZAMBIA – We prayed for a lady's hand, as her joints were so stiff and painful. In the next service, she told everybody her hand was healed, and all the stiffness gone.

NIGER – A young family from the desert is a Bible School where we ministered, preparing to preach to their people. Missionaries from Nigeria are opening a new church in a desert town.

INDIA – We prayed for a couple married eight years without a child, and we saw their little miracle son in February.

SOUTH AFRICA – A man’s bone had slipped out of place in the back of his neck, causing a lot of pain in his shoulder and many sleepless nights. He got healed as we were preaching, and the bone went back in place.

UGANDA – A young lady was healed of epilepsy, and said the seizures were over.

KENYA – A young boy prayed for his father to get a job, and now he has a good job. Then he prayed for him to get a car, and now they have it.

INDIA – We went on a boat one day to an island, where the people suffered so much from the recent tsunami. God helped us to take a lot of food and other supplies, to give out to over a hundred families. A young boy read the Bible, and preached to the people in the little church, when the pastor didn’t come. Many hundreds of born again believers have so many testimonies of God’s deliverance, as the tsunami came while they were in church.
