July, 2020

Dear Friends,

Good morning from Texas, USA, on May 7, 2020. I came here several weeks ago in the last few days of March, after almost getting stranded in the country of Tanzania, East Africa. I had been ministering in several countries in East Africa at my usual time every year, when the terrible Coronavirus (COVID-19) Pandemic began to spread throughout the world.

Borders were closed, airports started closing to international flights, then schools, churches, and most businesses closed, people ordered to stay at home, etc. When I couldn't get back to Nigeria, where I've lived for many years, I was able to miraculously get a flight to the US, and to Texas. I praise God!

Since I couldn't be at home in Nigeria during the month of April as originally planned, I couldn't get this printed newsletter out, or print my new book about the story of my life. So, I'm doing my best to get this letter to as many people as possible right now, and to others later.

## SOME RECENT TESTIMONIES

**UGANDA** -- For several years, every time I ministered in Zambia, I prayed with a lady teacher from Uganda for her daughter. First, we prayed for a good husband for her daughter in Uganda, and God answered. Then, we prayed for her to have a baby, and she had two miscarriages. In 2018, I prayed for her to have babies, and God answered in a very big way! Last year, she delivered quadruplets (three boys and a girl)! I saw them, when I was ministering in Kampala, Uganda, in the last week of February.

**ZIMBABWE** -- A teenage girl told me how Jesus healed her of TB, and she's strong again, praise God!

**NIGERIA** -- I met the young man who stole my iPhone in a church two years ago, when he was a visitor in the service. Later, he was seen on the film from the security camera, and the pastor went to his house with the film. He got the phone back from where he had sold it, and returned it to the church office and I soon got it back! The best part is that he's given his life to Christ, and is now attending the same church, with his parents!

**GHANA** -- We dedicated four more new churches we've helped to build in northern Ghana in the month of January, 2020! There were big dedication services at Zabzoagu, Kobori, Savelugu, and Bincheratanga! There are many more under construction, and we're now working on new ones at Gbedama (No. 87), Wulensi (No. 88), Zanguwa (No. 89), Kasapa (No. 90), Konchin-Gberuk (No. 91), and Binde (No. 92)! You can have a part, as we finish them, and keep on helping in the villages and towns in northern Ghana.

**KENYA** -- A lady brought her little daughter to the service, to tell me how God healed her tonsils when I prayed last year, and the surgery to remove them was canceled! Jesus is still the Healer today.

**ISRAEL** -- I had a wonderful trip to Israel in November, and joined a group of American friends there, to see so many places mentioned in the Bible. It was a dream come true to go there!

**UGANDA** - - A man testified about how he swallowed a fish bone, and God helped him to finally cough it out, when he thought it was impossible!

**ZAMBIA** - - I prayed a year ago for a lady deep in debt, and she couldn't pay her children's school fees, so they were out of school. God gave her a business of selling children's school uniforms, and brought her out of debt!

**ZIMBABWE** - - For several years, I prayed for a pastor and his wife, married for fifteen years without a child, and God gave them a little daughter two years ago. When I saw them last November, they showed me their new little son! God has really blessed them, and He still gives miracle babies!

**PERSONAL NEWS**

Thanks so very much for praying for me at this time in May, when churches here are beginning to open up again in some places, with a limited number of people inside, hopefully to be increased soon. Thanks for sending your offerings to help support the ministry, as they're always a blessing!

Please keep praying for me, as I look forward to celebrating my 81<sup>st</sup> birthday in the first part of August. Always remember my four very important prayer points: **GOD'S ANOINTING, GOD'S PROVISION, GOD'S PROTECTION, and GOD'S ANOINTING.** Please pray every day for me!

It's time again for our annual International Service and Supper this year on Friday, June 5, 2020, always on the first Friday evening in June. It's at Faith Assembly of God Church, 3940 Vista Road, in Pasadena, Texas, starting at 7:00 P.M. Please come to join us, if you're anywhere nearby.

In northern Ghana, we'll be officially dedicating four more new churches at Biu on August 2, at Gbimsi on August 9, at Kpalsi (Tamale) on August 16, and at Kukpalgu on August 18.

Please pray that planes will be flying, and I can get back to Nigeria, and then to Ghana, in July, 2020.
