Dear Friends,

July, 2021

Hello this afternoon, on **April 16, 2021**, from **Lagos, Nigeria**, where I've lived for over 32 years now. As many of you know, we lived in **northern Ghana** for many years before moving to **Nigeria**. I've been in **Africa** almost 54 years now, since we first came in **July, 1967**.

I've just arrived back in Nigeria last week, after being away since the middle of February, ministering in **East Africa** again, in **Kenya, Uganda, Tanzania, and Ethiopia**. I was ministering in **Zambia** and **Zimbabwe** last November and **December**, then in **Ghana** in **January**. It's twelve countries in 2021, and **Jesus** goes with me to every place!

I'll be in the **U.S.** soon, in the first week of **May, 2021**, ministering till the second week of **July**. Thanks so very, very much for your faithful prayers and offerings all these many years, so I can be here!

## RECENT TESTIMONIES

**KENYA** – A man with a good job in a place in a shopping mall used to be a “mad” man, walking the streets of **Nairobi** with no hope, and no future. Today, he's completely changed, because he gave his life to Jesus! He has a wife and children today, and he's talking to everyone he can about Jesus!

**UGANDA** – A lady came to me after I had ministered in a service, and said that about nine years ago, she had written down her prayer points after I ministered. One was for her sister to come home, after being away in another country for many years, and losing contact with the family. The second was for her young daughter to get better grades in school.

Her sister came home two weeks later! Then, her daughter began to get better grades, and today, she's in medical school! **Does God answer prayer? Yes, Yes, Yes!**

**GHANA** – Two more churches we've helped build in the North will be dedicated to God, when I'm in Ghana again, at **Gbedama on July 31**, and at **Wulensi on August 14**.

**KENYA** – A man testified about how he wrote down his prayer points in past years when I came to minister in his church. He asked **God** for his own plot to build a house, and later wrote down about how he wanted to build a house there for his family. Now, they live in their own house on their own land! Pray that you will also live in your own house some day, too!

**ZAMBIA** – A man came to me, reminding me that I had prayed for healing of his leg, the last time I was there. He said he can now walk miles, without any problem! **Jesus** heals today, and He'll heal you, too!

**GHANA** – More new churches are presently under construction in northern **Ghana**, praise God! They are at **Kankidina, Datuko, Tampia, Mimima, Tomoro, Tatala, Banawa, and Jininsa**. We've now gone over 100 churches! Please help me to finish them, and help others that are still waiting!

## PERSONAL NEWS

My new book is out! **"My Heart is in Africa,"** the amazing story of my life, and **over 50 years in Africa** came out in December! I hope you can get a copy soon!

Copies of our beautiful **"Thought for the Day" calendar for 2021** are still available, so try your best to get one! It's our 30th year to print the calendar, always in Nigeria.

**YOU ARE INVITED** to our annual **International Service and Supper in the U.S.**, on **Friday, June 4, 2021**, at **Faith Assembly of God Church, 3940 Vista Road, Pasadena, Texas 77504**, at **7:00 PM**.

We're planning to honor my beloved late husband, **Rev. Arthur E. Hokett**, with a very special Ten Years Remembrance that evening. It will also be an advance celebration of **my 82nd birthday (on August 7, 2021)**, and **my wonderful 54 years in Africa**.

The big day is later in **Ghana**, on **Saturday, August 7, 2021**, at **Living Faith Assembly of God Church**, in **Walewale, Ghana, at 9:00 AM**. That's where we started out in **Africa** in **July, 1967**!

My sweetheart will be greatly honored that day, and it's my actual 82nd birthday. Many of the pastors of the now over 100 churches we've helped to build in northern Ghana will be there. **Can you join us??**
