REV. DORIS A. HOCKETT
MISSIONARY EVANGELIST
since 1966

August, 2022

Dear **Special Friends**,

Hello, on this **Thursday** afternoon, **August 4, 2022**, from **Walewale**, in northern **Ghana**, and the first place we lived here in **Ghana**. We came with all our hearts in **July, 1967**, over **55** years ago now!

Some of the pastors we worked with then are still living today, and it's a big blessing to see some are still in ministry, plus some of the wives of those great men who've passed away are still here. There are so many, many more pastors all over **Ghana** today, and they're doing a fantastic work for the **Lord**!

God has done so much, and I praise **Him**! People of all ages are giving their lives to **Christ**, and it's really a harvest time! You're a part, as you **pray for me**, and **give your offerings** to help support the ministry. A big thanks with all my heart!

I'm here in **Ghana** for the whole month of **August**, and have already been here for the past three weeks now. Traveling by road everywhere, sometimes all day on bad roads, makes the trips longer and harder!

Please always pray for me, particularly for my usual prayer points, **God's Anointing**, **God's Provision**, **God's Protection**, and **God's Strength**. That's **APPS**, for short!

In **July**, I was actually in three different countries—**US**, **Nigeria**, and **Ghana**! I'm here now till the end of this month. In **September**, I'll be in **Nigeria**, ministering in **Lagos**, where I live, and **Abuja**, the capital.

This coming **Sunday, August 7**, is my birthday, when I'll be **83** years old, and I praise **God** for all these years in **Africa**. **He** keeps me going, and **He's** with me, every step of the way! That's **His** promise: "**Lo, I am with you always, even unto the end of the world**" (**Matthew 28:20**).

I always have testimonies to share, like the couple that prayed for a second child, for many, many years, and finally, their miracle has happened!

A lady in the **US** sent me a note yesterday, reminding me that I had prayed for her in the last few days of **June**, when she had a problem with her colon. After the prayer, she hasn't had any problems since then, praise **God**! **Jesus** still heals today! Just ask **Him** now to heal you, too!

I was at the big **Dedication Service** last **Saturday, July 30**, at another one of the churches we've helped build in northern **Ghana**. It was at **Jininsa**, a small town in the far **North**, and it was a great service! The church was full, and all the people were so very happy!

There are two more church dedications planned for next week, at **Mimima on August 12**, and at **Jonshegu (Tamale) on August 13**. The churches are finished, and I'm so very grateful for your help, as you've helped me to provide the much-needed building supplies for roofing, plastering, flooring, wiring, painting, etc. This means so much to all the pastors and members!

They give and give themselves in their weekly building fund offerings, plus their regular fundraising times, too. They do almost all the work themselves, helping the carpenter, mason, electrician, painter, etc. Truly, "**we are labourers together with God**" (**1 Corinthians 3:9**).

We're starting to help another church this week at Janania, and it's Church No. 113! I was there last **Sunday** afternoon, and I saw the walls completely ready for the roof myself! Thanks for helping to make it possible for the pastors and members to roof the church soon!

We're also helping to finish other churches right now at Gabgeni, Naagbu, Lampoga, Kankidina, Karaga, Zabzugu, etc. There are others to pray about, and trust **God** to provide soon, too, as you help me!

Yes, the letter "A" is for August, but the letter "A" is also for the word "Answer," too! I'm praying for **YOU**, that you will see ANSWERS to your prayers, in this present month of **AUGUST**, in **Jesus'** name!

Love, **Doris Hokett`**
