Dear Friends,

July, 2022

Hello this morning, on **April 25, 2022**, from Nigeria, as I arrived back here in **Lagos**, where I've lived for many years now, a few days ago.

I was ministering in several different countries for two months, at my usual time every year. **THANKS** for praying for me, as I always need it so much! **THANKS** for also giving your offerings, so I can continue to minister here in **Africa**, and to help build more churches in northern **Ghana**.

God is so good! **He's** been with me all these years, since we first arrived in **Ghana** in **July, 1967!** These past ten and a half years, since my wonderful husband of almost 54 years, **Rev. Arthur E. Hockett**, went to be with the **Lord**, **God** has kept me every step of the way!

GOD IS STILL THE GOD OF MIRACLES, AND HE WILL BLESS YOU EVERY DAY!

SOME RECENT AMAZING TESTIMONIES

KENYA -- A lady gave a testimony about how she was married five years without a child, and she was praying for a baby. **God** answered, and last year, she had a child!

GHANA -- We dedicated two more churches in northern **Ghana**, while I was there in January. They were in the towns of **Datuku (No. 95)** on **January 1**, and in **Tampia (No. 96)** on **January 15**. Another church had a big dedication at **Tatala**, on **March 30**. The church at **Jininsa** will be dedicated on **July 30**, while I'm in **Ghana** again. **God** is so faithful!

Other churches in towns are presently under construction yet, at **Mimima, Jonshegu, Kankidina, Karaga, Zabzugu**, and **Lampoga**. They need plastering, flooring, wiring, etc.

TANZANIA -- A man testified about how he prayed for three years for a car, as he lived very far from the church. Today, he has his own car! **God** answers prayer, and **He** will answer you, too!

KENYA -- A lady gave an amazing testimony, when I was ministering in her church. She had gotten one of the nice key holders I always have for people to buy after every service, to help support the ministry. **God** helped her to build a house, and give the key holder, with the key on it, to a person who needed a home for his family!

Later, she bought another key holder when I came, and she's finished a second house to give to another person without a home! She showed pictures of the houses, and we rejoiced with her! Meanwhile, **God** has done miracles for her, and she's seeing her own needs met, too!

GHANA -- I met a **Nigerian** man in a church where I ministered, and he's lived in **Ghana** for over 25 years. He was always a **Muslim**, but he became a **Christian** last year. He's been praying for people to be healed, and **God** is doing miracles! We're praying for his wife to become a **Christian**, too!

NIGERIA - - A pastor asked me to pray for him, as he was suffering with an ulcer in his stomach. **God** healed him, and he can now eat anything, without any problems! **Jesus** heals, and **He** will heal you, too!

GHANA - - We continue to help build churches in the villages of northern **Ghana**, like **Zangu**, **Binkura**, **Kasape**, **Bunbuna**, **Kurungu**, etc., and the latest is at **Yunyoo (No. 110)**. The church at **Banawa (No. 100)** is having a big dedication on **April 30**. We need to help build more village churches, in places like **Zaangum**, **Gagbeni**, **Naagu**, etc. Will you do your best to help me soon???

UGANDA - - The lady of the family we always stay with, when we're ministering in **Uganda** for over twenty years now, had a very serious case of **COVID**, after I was there last year. She was in the hospital a long time, and even in **ICU** for many weeks. The doctor thought she would have permanent damage to her lungs and kidneys.

I prayed for her, along with a lot of other people, and **Jesus** healed her! When I was there for a week this year, in the first part of **March**, she was her usual wonderful self! **Jesus** heals today!

PERSONAL NEWS

I praise **God** for healing me of terrible pains in my lower back, while I was recently in **Kenya**, and I was delayed for over two weeks in getting back home to **Nigeria**. So many people prayed for me, and **Jesus** touched me! I was staying with my very good friend in Kenya, and she prayed powerful prayers every day for me. A lady physiotherapist came daily to help me with therapy, and we prayed with her to be saved, praise **God**!

I hope you receive a copy of my latest printed newsletter, dated **July, 2022**. We're working very hard on it right now, here in **Nigeria**.

If you're in the **U.S.**, I'd be happy to see you on **Friday, June 3!** It's time for our big annual **International Supper and Service**, always at **Faith Assembly of God Church, 3940 Vista Road, Pasadena, Texas 77504, at 7:00 P.M.** Come, if you possibly can, and bring a dish of food for the table. You'll really be blessed!
