Dear Friends,

May, 2023

Hello, on this **Thursday morning, April 20, 2023**, while I'm at home in **Nigeria**. I came back a few days ago from seven weeks in East Africa. It was my usual time every year to minister in **Kenya, Uganda, Tanzania, and Ethiopia**.

Thanks for praying for me as I travel and minister in so many different places all the time. Later this **year**, I'll go to **Southern Africa** for two months, to minister in **Zambia, Zimbabwe, Eswatini, Botswana, and South Africa**. Twice every year, I go to **Ghana**, to minister in **January**, then later in **July** and **August**.

Thanks for giving your offerings to support the ministry, helping me to keep going, and to help build churches in the villages and towns in northern **Ghana**. I trust **God** every day to provide every need, and **He** continually uses friends like **YOU!!**

SOME RECENT TESTIMONIES

KENYA – A lady gave a testimony, about how I had prayed for her last year, after she had had a stroke. **Jesus** has touched her, and she now walks very well, also talks perfectly, praise **God!**

GHANA – We dedicated three more of the new churches we've helped to build in northern **Ghana**, while I was there in **January**. The first was at **Kankidina on January 7**, the second was at **Karaga on January 14**, and the third at **Zabzugu on January 21**. There were lots of big smiles, and shouts of praise to God, to see the way He provided, as the people had prayed! I wish **YOU** could have been there with me!!

KENYA – A lady asked me to pray for her daughter's little son in **South Africa**, as he had suffered from a very serious stomach infection since he was born. He had been in and out of the hospital so many times, and needed a miracle! **Jesus** touched him, and he was completely healed, for **Jesus** heals every sickness!

GHANA – Right now, we're helping build several small mud brick churches in villages in northern **Ghana**, at **Kparakpiri (No. 117), Nanpotibouk (No. 118), Asawaba (No. 121), Zaalale (No. 122), and Mishio (No. 123)**.

There are bigger churches, made of cement blocks, that we're also helping to build in towns, at **Gbanyanmi (No. 116), Bootinga (No. 119), and Nsunia (No. 120)**. Several others in different places are almost ready for a roof soon, and I really need your help!

BOTSWANA – I prayed for a lady who had lots of pain, whenever she tried to bend over, and **Jesus** healed her! Everybody saw her bending over, and doing exercises that night!

GHANA – We'll have big church dedications in northern **Ghana** again, when I'm there in the last part of **July** and all of **August**, at **Lampoga on July 22**, at **Janania on July 29**, at **Naagu on August 5**, and at **Gnani on August 12**.

ZIMBABWE – In **November**, I always minister at a **Women's International Fellowship** all day on a **Saturday**, and last year, I was there again. A lady gave her testimony, about how I prayed for her the year before, when she had a terrible skin problem, with big spots all over her body, that were still there, after all kinds of treatments. **Jesus** had totally healed her, and her skin was perfectly normal again!

GHANA – I had a chance to visit my good friend, **Chief Dr. John S. Nabila**, one of the most important chiefs in all of northern **Ghana**, and a very good **Christian**, too. We are near the same age, and my husband and I were at his wedding many, many years ago, when we first came to **Ghana** to live.

PERSONAL NEWS

Thanks for praying for me, when many of you heard that I had a bad fall in **Nigeria**, in the first few days of **February**. It was my second night in a new apartment, with everything unfamiliar to me, and suddenly the lights went off, leaving me in total darkness. My left knee got a very bad bruise in the joint, and caused lots of pain. It's completely healed now, after several weeks, praise **God!**

When I'm in the **U.S.** at my usual time in **May** and **June**, we'll have the big annual **International Service and Supper on Friday, June 2, at 7:00 P.M.**, at **Faith Assembly of God Church, 3940 Vista Road, in Pasadena, Texas 77504**. My U.S. number is **281-471-4109**, and I hope you'll call me, while I'm there!
