July, 2019

Dear Friends,

Good evening on Friday, May 3, 2019, while I'm at home in Lagos. I came back to Nigeria two days ago, after being away since the middle of February, ministering in India and four countries in East Africa (Kenya, Uganda, Tanzania, and Ethiopia). I'll be in thirteen different countries this year.

Thanks for praying for me, and giving your offerings to help support the ministry all these 52 years as a missionary in Africa. I also pray for you, too, and I'm always happy to hear from you, or see you.

WALK WITH JESUS, AND YOU'LL GET TO THE RIGHT DESTINATION!

SOME RECENT TESTIMONIES

ZIMBABWE – I've been praying for a pastor and his wife in Zimbabwe for several years to have a child, and I saw their little miracle daughter in November, after they'd been married for fifteen years!

GHANA – We've completely finished three more churches in northern Ghana, and had big Dedication Services in January, at Kolbeo (No. 69), Bimbagu (No. 65), and at Ginggaani (No. 70). God is so good!

ETHIOPIA – A lady bought one of the nice key holders two years ago, which we always make available in every service. She was praying for a house, and it reminded her to keep praying. She now has one!

INDIA – I've been praying for a young lady in India, whenever I'm ministering in the church she attends, every two years. Her leg has been about six inches shorter than the other one, and she needed a miracle. I saw her in March, and now the leg is growing out, already two inches longer! We continue to pray, till it's the same as her other leg. "With God, all things are possible." (Mark 10:27).

KENYA – I prayed for a lady in Kenya to have a baby, and God has given her twins!

GHANA – In May, we've begun to help two more churches in northern Ghana, to put a roof on, and finish the buildings, at Naiyoko (No. 83), and at Yipaala (No. 84), praise God! Please help, if you can!

SOUTH AFRICA – A church deacon testified about how he had bought two mugs we had out for sale after a service, and also two key holders, with encouraging words on them, even when he had lost his business, his car, and his home. Then he got sick, and his legs were paralyzed. His family in Zambia thought he'd die, but God has restored it all—his health, his business, his car, and his house!

ETHIOPIA – Two years ago, I went to a friend's house, and prayed for his wife. She had fallen, and badly injured her foot. The Lord totally healed her, and her foot is perfect today! Jesus is the Healer!

ZAMBIA – A man testified about how he suddenly began to feel so weak and faint, as he was walking down the street. He cried out to Jesus to give him strength, and He did! He spoke to his body, his bones, etc., commanding them to work correctly, in the name of Jesus. He didn't fall, and was able to reach the place he had to go, because of Jesus, without any further problems after that.

GHANA – A Muslim man came to a service, with his arm and leg paralyzed from a stroke. As we prayed, Jesus touched him, and he walked all over the church, without his walking stick, praising God with his arm able to move again. The next day, the pastor visited him, and asked “Who healed you?” He smiled and said, “Jesus!”

KENYA – A lady gave testimony about how I prayed for her last year, when she needed a job for a long time. She got a good job soon after that!

INDIA – I was very happy to see another miracle baby we had prayed for. A couple had been married for eight years, and now have a little miracle son!

ZAMBIA – A man told about how a big tree fell on his house in a terrible storm, when he and his wife were sleeping. It crashed into their bedroom, very near their bed, but God protected them!

PERSONAL NEWS

Our big annual International Supper and Service is coming up soon, always on the first Friday evening in June for many, many years, and always at my home church.

It's set for Friday, June 7, 2019, at Faith Assembly of God Church, 3940 Vista Road, Pasadena Texas, at 7:00 P.M. Come, if you possibly can, and enjoy a fantastic evening with me! Call me, 281-471-4109.

When I'm in Ghana for seven weeks, July 17-August 31, we'll dedicate four more of the churches we're helping to build in the North. They're at Tinga (near Bole) on July 27, at Gorogo (near Bolgatanga) on August 3, at Kakpagyili (Tamale) on August 10, and at Bisaldo (near Saboba) on August 13.

Pray for me in October-December, as I minister in the southern part of Africa again, in Zambia, Zimbabwe, Swaziland, Botswana, and South Africa.

On August 7, while ministering in northern Ghana, I'll celebrate another birthday, and be 80 years old! Pray daily for me, to stay strong and well for many more years, to finish my assignment from God.
