Dear Friends,

January, 2018

Hello from Nigeria today, October 2, 2017, while I'm at home in Lagos for a few weeks. I'll leave soon, traveling to the southern part of Africa, to minister in five different countries, Zambia, Zimbabwe, Swaziland, Botswana, and South Africa. Thanks for praying for me, and for giving your offerings, to help support the ministry. My prayer points are God's anointing, provision, protection, and strength.

YOU are a blessing to me! Be a partner with me, reaching nations for Jesus! I'll be in eleven different countries in 2018, and I really appreciate your help. I go everywhere by faith, trusting God daily.

MAY 2018 BE YOUR BEST YEAR SO FAR WITH JESUS!

SOME TESTIMONIES FOR YOU

GHANA – A lady testified about how she was suffering from chronic diarrhea last year, and Jesus healed her in the service, when I prayed for her. Jesus is the Healer, and He still heals today!

INDIA – A man was an alcoholic for sixteen years, and Jesus has set him free! Jesus saves, and He also delivers from the bondage of sin in your life. John 8:36 says, "If the Son therefore shall make you free, ye are free indeed!"

NIGERIA – A man gave a testimony about how his son got an excellent job, after he graduated from the University last year. God can put a smile on your face, and give you victory, too!

GHANA – A pastor asked me to pray last year, for him and his wife to have a child. Just a few days later, she got pregnant, and they now have a little son!

NIGERIA – A lady was feeling very weak, and thought of staying home from church on Sunday morning. She went to the two services anyway, and Jesus touched her as I prayed! She was in all of the four services for three days, while I was there!

USA – I shared a testimony in a church, about how Jesus healed a lady of cancer in Zimbabwe. A man came to me after the service, and said his wife had also been healed of cancer too! The doctors were getting ready to start a surgery, but found the cancer was gone! Praise God!

NIGERIA – Last year, I prayed for a lady to get a good job, and very soon after that, she got it! God is so good! Jesus said, "If ye shall ask any thing in my name, I will do it," (John 14:14).

GHANA – I was able to help a church in a village in northern Ghana with money to put the roof on their much-needed new church. They got the roof on at Ginggaani (Church No. 70) soon afterwards!

NIGERIA – Some years ago, we prayed for a single lady to have a life partner, and for a certain man to get a good wife. God answered prayer for both of them, and they got married. I ministered in the church they now pastor, and met their three fine young sons! God can do the same for you, if you're single!

TANZANIA – A young man, who is one of the people God uses to accompany me on the long bus rides from country to country, went with me again last year from Tanzania to Kenya, I prayed for him to start a profitable business, after he graduated from the University. His business is growing today, praise God. Your business can grow, too, in Jesus' name.

NIGERIA – A man gave testimony about how he and his wife prayed for thirteen years, and trusted God for a second child. We also prayed for them, and God has given them a little son a few months ago!

PERSONAL NEWS

Our beautiful, colorful "Thought for the Day" calendar for 2018 is ready! Please write me, to see how you can get a copy, wherever you are! It's the 27th year to print it in Nigeria, and you can even see it on the ministry website, at www.hokett.org, too!

In August, God added another year to my life, on my 78th birthday! I've lived in Africa most of the time since 1966, and I'm so happy that God called me to be a missionary, when I was a young teenager.

I've recently been able to record three more of my books, to become audio books, "Words of Blessing," "Words of Victory," and "Words of Healing." I've also made a CD, "Miracles and Testimonies" from all over the world. Write to me, to find out to get copies!

While I was ministering in Ghana again for six weeks, we started helping four more churches with a roof, at Tinga (No. 67), Kalbeo (No. 68), Kakpagyili, Tamale (No. 69), and Gingaani (No. 70). We're helping others to go further, with plastering walls, flooring, doors, windows, etc., at Paga Navio, Bimbago, Gbeduri, and Diari. We'll have big dedications of two more in January, at Pwalugu and Gambaga. Please try to help me to build more churches in villages and towns in northern Ghana.
