Dear Friends,

July, 2018

Good afternoon from Nigeria, while I'm at home here for a few days. It's Saturday, April 7, 2018, and I've just gotten back from seven weeks of ministry in East Africa. I've been in six countries so far this year: Ghana, Nigeria, Kenya, Uganda, Tanzania, and Ethiopia, with six more still to go.

THANKS for your faithful prayers and financial support, as they're so very important to me all these years! I also pray for YOU, too, and I'm always happy to hear your testimonies!

It's now over 50 years for me in Africa, since my late husband, Arthur, and I came to northern Ghana in July, 1967. God is so very, very faithful, and it's a privilege to serve Him as a missionary in Africa.

WITH GOD'S HELP, AND GOD'S WISDOM, I'M MOVING FORWARD!

SOME TESTIMONIES FOR YOU

NIGERIA – A lady who is one of the faithful volunteers to help me get all of the newsletters ready to mail twice each year, sent me a testimony. We had prayed for her daughter for years to get a good job, and she now has an excellent one, after five years! God answers prayer, so pray till the answer comes!

TANZANIA – Last year, I prayed for a lady, after she had had a miscarriage. The doctor had told her she might not be able to get pregnant again, but God has intervened. She has a miracle baby now!

KENYA – A lady accidentally left her laptop in a taxi, and then saw the taxi driver again, some days later. He said he didn't know anything about it, but they looked very carefully, and found it! The laptop had dropped in a hidden place in the taxi, and God kept it there, just for her!

ETHIOPIA – My host in Addis Ababa, where I always stay with his family whenever I'm ministering in Ethiopia every year, shared a big testimony a few days ago. He had been in prison two years ago, because he had printed a certain book in his printing company. He started a Bible School in the prison, and over 130 men graduated with certificates! Now, he's gone back regularly with his pastor and others, to teach another group of over 100 men in the prison, who have also graduated!

SWAZILAND – A man brought his little son, after I had prayed for healing of his asthma. There's no more asthma now, as Jesus healed him! In Psalm 103:3, we read that "He healeth all thy diseases."

KENYA – Last year, a young man helped me with all the work to lay out a big display of books, stickers, etc., for people to buy after the service, and help support the ministry. I prayed for him to get a good job, after he had had only short ones at times for three years. He now has a very good permanent job!

TANZANIA – I prayed for a lady, whose ear was blocked, and she couldn't hear. The ear opened!

BOTSWANA – A lady kept buying stock in the company where she works, till she owns the company!

GHANA – A young man had a terrible motorbike accident, and his knee was fractured in two places. His mother is my good friend, and we prayed for him. Jesus healed his knee, and the surgery was canceled!

ZIMBABWE – When I was ministering there in November, a pastor told me that his miracle baby would soon be born, after waiting for 14 years! I had prayed for his wife some years ago, when I first met her.

KENYA – An older lady was in a wheelchair for five years, and Jesus has healed her legs. She was able to come to a service where I was ministering, without the wheelchair!

UGANDA – The lady whose family I stay with, while I'm ministering in Uganda every year, is the headmistress of a large secondary school for girls. People plotted against her, and even used witchcraft to try to remove her. God intervened, and gave her total victory, when they were all put to shame! All the powers of witchcraft will fail, for “If God be for us, who can be against us?” (Romans 8:31).

TANZANIA – I met a lady with her little miracle daughter, born after she had had seven miscarriages!

GHANA – We dedicated two more of the churches we've finished in northern Ghana, when I was there in January, at Pwalugu and Gambaga. That's nineteen we've been able to finish, since my husband went to be with the Lord in August, 2011! We started helping put the roof on two more in January, at Savelugu (No. 71) and Gorogo (No. 72). There are ten churches under construction, with three more to be finished and dedicated in August, when I'm in Ghana again, and two more to help put the roof on!

PERSONAL NEWS

If you're in the U.S. in June, please try to come to our big annual International Service and Dinner on Friday, June 1, at Faith Assembly of God Church, in Pasadena, Texas. You'll enjoy a great evening!

The postage rates to mail letters to all the different countries have suddenly gone up to five times higher than before, here in Nigeria, so these letters may be mailed in a different way this time.

My iphone was stolen in Nigeria in December, but thanks to a security camera in the place, and God's help, the thief was seen, and traced. He was made to return the phone, praise God. It was a big miracle!
