October, 2016

Dear Special Friends,

Hello tonight, on Wednesday, October 5, 2016, as I write from Lagos, Nigeria, where I live. You are in my thoughts and prayers, all the wonderful people who are a part of my life.

Thanks for praying for me, as I need it so much every day. God has given me a very big assignment, and I also need your financial support, as well as your prayer support. I praise God for your faithfulness to give, and help me go to the nations all these years, since 1966.

In a few days, I'll travel out again, leaving for Zambia around the middle of this month. I'll minister there for three weeks, and then I'll go by road to minister in other countries, to Zimbabwe, Swaziland, Botswana, South Africa, etc. Please be praying for me, as I'll be away for two months.

I spent about ten days in Abuja, capital of Nigeria, and ministered almost every day in different places, even in an outdoor meeting. A pastor's family always puts me in a lovely Guest House there, and makes sure I have everything I need, and get to every place I need to go. They're a big blessing!

They have a recording studio, and helped me to record five of my books as audio books. Very soon, I'll have copies of "Words of Healing," "Words of Success," "Words of Wisdom," and "Stories He Loved to Tell, volumes one and two." They'll be available on audio CD's, MP3, on the ministry website (www.hokett.org), and in all the places where I minister.

The new "Thought for the Day" calendar for 2017 is out, and you can send an E-mail to me for details about how to get a copy, wherever you live. It's so beautiful!" It will be on the website, too.

In Abuja, God did miracles, and there were testimonies. A lady was very worried about how she had started forgetting things a lot, and had a fear of dementia, or Alzheimer's, etc. Jesus has touched her, and the fear is gone! She can now remember everything normally again, as He healed her memory!

Another lady, my very good friend for many years, has retired after a long and distinguished career as a diplomat for Nigeria. In her last appointment, she served as the Nigerian Ambassador to Poland. Now she's doing a lot of work as a missionary in several different countries.

Jesus healed her of a terrible sharp pain in her back, which she had suffered from for several weeks. He also healed her of athlete's foot, praise God!

Another lady was in a taxi, going home from church, when the driver pulled out a knife, and threatened to rape her. She begged and pled with him, crying out to Jesus to help her.

Finally, he changed his mind, robbed her of everything she had with her, and put her out of the car somewhere. The next night, she was back in the church, giving God praise for her life.

We're working very hard on all the printed newsletters right now, and it always takes almost two weeks to finish. Thank God for volunteers who come in to help twice in the year. I hope you get your copy, when we mail them all out soon. We're putting in a little Personal Bible Reading Record in each letter, to help you read the Bible through, and keep a record of the chapters you read.

You can also look for the newsletter on the website soon, too. You'll enjoy all the news, pictures, testimonies, etc. These monthly updates are there, too.

Very soon, we'll begin to help two more churches in northern Ghana, No. 64 and 65. They're working to get their walls up right now, and we'll help with the roof, plastering, flooring, wiring, painting, etc., step by step, till the church is finished.

Remember, "O" is for "October," but the letter "O" is also for "Overcome," too. I'm praying for YOU to OVERCOME in the month of OCTOBER, in Jesus' name. With His help, you can overcome sickness, debt, family problems, and every attack of Satan upon your life.

Love, Doris Hokett
