January, 2020

Dear Friends,

Good evening today, on Thursday, September 26, 2019, while I'm at home in Nigeria. I was in Ghana for six and a half weeks, and came back at the end of August. I'll be in the southern part of Africa next month, as always, completing ministry in thirteen different countries in **2019**, with plans for twelve countries in **2020**. God is so good, and He's so faithful as I travel all the time!

Thanks for praying for me, and thanks for giving your offerings for the ministry! Your faithful praying and giving help me so much to keep on going to the nations. I'm so grateful!

MAY 2020 BE FILLED WITH BLESSINGS FOR YOU AND YOUR FAMILY!

RECENT TESTIMONIES

NIGERIA – My good friends, pastors in Abuja (capital of Nigeria), are the proud parents of a beautiful little daughter, after being married for eighteen and a half years. I prayed for them, and God answered!

GHANA – Four more of the churches we're helping to build in northern Ghana got finished and dedicated, while I was there in July and August! They're at Tinga, Gorogo, Kakpagyili (Tamale), and Bisaldo. I wish you could have been there with me, to see what God has done!

TANZANIA – A lady gave testimony about how her grownup children completely renovated her house, and now it's almost like a new house!

USA – A man testified about how his wife had a baby, in spite of the fibroid in her womb, and the baby kicking against the fibroid during the pregnancy. "For with God nothing shall be impossible" (Luke 1:37).

GHANA – My faithful driver for many years, whenever I'm in Ghana, had a very terrible accident in May. He was driving a pickup truck, when a big truck went out of control, and crashed into him! He got a badly broken leg that's slowly healing, and he's a living testimony of a very big miracle!

ETHIOPIA – A lady told me that she bought one of the key holders we always have for sale, and it was for a car. She got her car miraculously, and was so happy!

GHANA – A lady gave a testimony about healing of asthma, when I prayed for her last year!

USA – I met a Nigerian family from my sister's church, and they have little triplet girls, after praying for five years for a child! We had met the man and his mother in Nigeria, when he was a boy!

GHANA – A lady told me about how I prayed for her knee last year, and it's healed completely since then, with no more pain, even when she plays in sports! Jesus is still the mighty Healer!

USA – My pastor's wife in the U. S. had very serious surgery two years ago, and the doctor told her that a certain part of her internal organs would never heal, and she might not live long! I prayed for her, that the problem would be a "one time thing," and she would be totally healed. The doctor recently told her the place is miraculously healing, and all is well!

Psalm 118:17 says, "I shall not die, but live, and declare the works of the Lord." God can turn around every bad report, and make it to be good!

GHANA – We've been able to help two more churches to put a roof on in northern Ghana at Chuchuliga (No. 85) and at Gbankoni (No. 86) since August! There are more churches that need a roof, as God provides! Will you help me to give a helping hand to the pastors and members in these places?

PERSONAL NEWS

I celebrated my **80th birthday**, while I was ministering in Ghana in August! Praise God for His blessings all these years, and I'm still very busy in ministry!

Pray with me for my **latest book**, all about my life in ministry in Africa for over 52 years! I hope you can get a copy soon!

Our beautiful, colorful **2020 calendar** is out! It's the **29th edition** of the calendar, and it goes to people all over the world. Please write to me, if you want to buy a copy, and I'll answer back.

A good friend I've known all his life in the U. S. is a successful lawyer, and a partner in the ministry. He and his wife have given me a wonderful gift, a trip to **Israel and Petra** in November! I'm really looking forward to seeing the Holy Land, and walking where Jesus walked!

We have four more churches to finish and dedicate in northern Ghana in January: **Zabzoagu** on Jan. 4, **Kobori** on Jan. 7, **Savelugu** on Jan. 11, and **Bincheratanga** on Jan. 18. God is amazing me!
