July, 2017

Dear Friends,

Hello this afternoon, May 5, 2017, from Lagos, Nigeria, as I arrived back home from all my travels two days ago. Thanks for praying for me, as I ministered in India for four weeks, then in four different countries in East Africa for six weeks. I'm in thirteen different countries this year.

THANKS with all my heart for praying for me, as it means so much, knowing that you pray. THANKS also for giving your offerings for the ministry, as this keeps me going.

HOLD ON TO GOD'S PROMISES FOR YOU AND YOUR FAMILY EVERY DAY OF THIS YEAR

SOME RECENT TESTIMONIES

INDIA – In Bangalore, India, my last place to minister in India, I stayed in the home of a missionary couple. The lady had been healed miraculously several different times, over a period of more than ten years. She had suffered from very terrible heart problems, epilepsy, total paralysis, deep depression, etc. Several times, doctors had said she might only live a few more hours or days, but Jesus healed her

Now, they're ministering in countries like China, Laos, Thailand, Mongolia, Vietnam, Myanmar, South Korea, etc., also in northern India, too. God is so good, and He heals today!

KENYA – A lady in Kenya came to the service with badly swollen tonsils, suffering from tonsillitis. After I prayed, all the swelling disappeared, and the pain was gone, praise God!

GHANA – I sat beside a pastor, when we dedicated one of the new churches in January. Later, I saw him with his wife and little miracle twin sons, now over one and a half years old. After 17 years of marriage without a child, the wife delivered twins, truly a double blessing. There's nothing impossible with God!

SOUTH AFRICA – A young man testified about how he was a womanizer for several years, till Jesus changed his life. He was set free, and has dedicated his life to serving God. He breaks every bondage!

TANZANIA – I prayed last year for a young man, to be able to start his own business, and God has done it! While I was there to minister in April, I visited his shop, and prayed for his success.

ETHIOPIA – While I was in Ethiopia recently, I spent a little time in the home of my dear friends, whose son we prayed for, more than 20 years ago now. God had instantly healed him that day of very serious heart problems, so serious that the doctors told his family he might die in less than 30 days. His heart has been fine ever since then!

Now, his mother told me about how she hadn't been in a plane for 30 years, and was terrified of flying. Jesus gave her victory over the fear, and she enjoyed a long flight to England, then back to Ethiopia, in perfect peace, without fear! David said, in Psalms 30:2, "He delivered me from all my fears."

GHANA – The Royal Rangers (the excellent Assemblies of God program for boys) celebrated over forty years in Ghana recently, with many thousands of boys from all over the country. We organized the very first outpost in all of Africa, when our son was seven years old, and now they're in many countries.

UGANDA – I prayed for our friend of many years, working for a large company there. He was falsely accused of stealing money from the company, and suffered in prison till he was finally released to go back to his job. God brought the case to an end after four years, and he was totally acquitted.

INDIA – A lady testified in the service, how I had prayed for her the night before, to get a good job. She had gotten the job the very next day!

ETHIOPIA – Another one of my books, “Stories He Loved to Tell, Volume One,” is going to be translated soon into Amharic and also French by my friends there, praise God!

PERSONAL NEWS

There were two big Church Dedications in northern Ghana while I was there in January again. The first was at Nagbere, in Upper East Region (Church No. 59), on January 7. An important Christian chief was there, telling me how my husband and I had really blessed him, over forty years ago, when he attended a big youth Camp we had organized.

The church presented me with a huge sheep, the very biggest I had ever seen, so we shared nice sheep meat with thirteen pastors and their families.

The next church dedication was at Guabiliga (Church No. 58), in Northern Region. They presented me with a beautiful plaque of appreciation, signed by all the district and local officials, plus another sheep.

We started helping two more churches, and both of them, at Gbeduri (No. 65), also at Diari (No. 66), got the roof on in March! We’re going to start helping at least two more in August, when I’m there.

We’ll dedicate another new church at Nasia (No. 60) on August 2, and our own son will be there that day, to be a part of the service. He’s a miracle, born in Ghana after we were married twelve years!

Our big annual International Service and Supper will be on Friday evening, June 2, t Faith Assembly of God Church, in Pasadena, Texas. If you’re in the area, I hope to see you there!

I’m working on my next book, No. 16, where I’m sharing my life story, of over 50 years in Africa. Let me know, if you’d like to get a link on the Internet, to listen to four of my books on audio books, done professionally by my dear friends at a church in Abuja, capital of Nigeria, spending many long hours.
