April, 2017

Dear Special Friends,

Hello this afternoon from Nairobi, Kenya, on Saturday, April 8, 2017. I'm ministering for six weeks in East Africa, in Kenya, Uganda, Tanzania, and Ethiopia, till the first week of May, when I'll be at home again in Nigeria.

Thanks so much for praying for me, and for giving your offerings to help support the ministry. Some of you have given faithfully for many years, while others have recently started, or plan to begin sowing a seed soon.

I'm really blessed! I praise God for you, my very special friends! I pray for you, and when you share your needs with me, I can pray very specifically. When I hear your testimonies, I rejoice with you.

In the first half of March, I was still ministering in India, and there were many miracles! I traveled by bus, by train, and by car from place to place.

A couple we had prayed for, and married for nine years, are now expecting their baby, and they're so happy! I stayed with a family in Bangalore, India, and the lady had been healed miraculously several times. They're now ministering in many countries, like Vietnam, China, Mongolia, Myanmar, Laos, etc.

She was healed of serious heart problems, then of hepatitis later. She was healed of hemorrhoids (piles), as God gave her brand new nerves and sphincter muscles in her rectal area, also a tumor in that area miraculously disappeared.

Sometime later, she became totally paralyzed from her neck down, and her back bone became badly bent. One day, a doctor told her family she would die by evening time.

But Jesus began to heal her that night, and she didn't die. She slowly, but surely, completely recovered, and her back became straight again!

Satan attacked her in other ways, with epileptic seizures, then deep depression, till she couldn't go out of the house. Again, Jesus healed her, and delivered her from death. She's now a missionary!

God is so good, and He heals today! Absolutely nothing is impossible with Him (Mark 10:27). Trust Him for your own miracles and testimonies, in Jesus' name.

In Kenya, a lady testified about how I had prayed for her and her husband to come out of a big debt at the bank. God sent a buyer for a property they had tried to sell, when the bank was ready to seize it, and the debt was paid!

Also in Kenya, a lady came to the service with swollen tonsils, and needed healing of tonsillitis. Jesus healed her, and the tonsils became normal again that night!

In Uganda, a man I've known for many years, had been accused of something he didn't do, and after four years of suffering, with even time in jail, he was completely acquitted by the court!

I could go on and on, as there are so many testimonies everywhere I go. I'm praying that yours will be the next one! After the test, the testimony comes!

In the past few days, I've received pictures of two more churches in northern Ghana, and they've gotten the roof on each one. They're at Gbeduri (No. 65) and Diari (No. 66), praise God! There's much more to do for them and others, finishing up eight churches right now, in northern Ghana.

If you ask, I can send you a link to my four audio books, and also a link to watch me ministering in a service in India. I can send it to you by either E-mail or Whatsapp, if I hear from you.

I continue to do my best, and I know that when we give God our best, He will give us His best. We have His promises in Matthew 6:33, "But seek ye first the kingdom of God, and his righteousness; and all these things shall be added unto you." Also, "I can do all things through Christ which strengtheneth me" (Philippians 4:13).

Yes, this month of **April** begins with "**A**", but the words "**Awesome**" and "**Abundance**" also begin with an "**A**" too. I'm praying for you, for something **Awesome** for you in April, and God's **Abundance** to be yours, in Jesus' name. Be blessed!

Love, Doris Hokett
